Subject: Docket No. 20250088-WU, Sun Communities Finance LLC d/b/a Water Oak Utility

I am a resident of Water Oak in Lady Lake, Lake County, Florida and I am writing to oppose the proposed water rate increase as stated in the subject.

The increase of nearly 900% a month is an extreme hardship to myself along with the many other senior citizens of Water Oak who are living on a fixed income. This isn't a utility where we have a choice of going to another company. Obviously water is an essential service. An increase of any amount, much less 900% is not feasible, not should it even be legal.

The Commission must to the right and just thing and reject this proposed rate increase out of hand. Myself and the other seniors who live in this community do not deserve to have this unexpected and unjustifiable water charge.

Thank you.
