Dear Florida Public Service Commission Clerk,

I am a retired customer of Water Oak Utility in Lake County and I am writing to oppose the proposed water rate increase under Docket No. 20250088-WU.

The proposed increase from an average of about \$15 per month to more than \$100 per month is excessive and would create a serious financial hardship to retirees living on a fixed income. Water is an essential service and customers have no alternative provider. An increase of this magnitude is neither reasonable nor affordable.

I respectfully urge the Commission to reject or significantly reduce this proposed rate increase and to prioritize affordability and consumer protection for residents of Water Oak.

Regards,  
Cynthia McCord
