I strongly object to the CSWR petition (docket #20250130-WS) to consolidate its rates over all Florida customers to pay for the company's expense to acquire 3 non-viable utility systems, Neighborhood Utilities, Rolling Oaks Utilities (20250136-WS) and Aquarina Utilities (20250043-WS). Our Coventry community should not have to pay the expense for CSWR to acquire these 3 non-viable utility systems.
