Dear Florida Public Service Commission Clerk,

I am a retired person living in Water Oak in Lake County and I am writing to oppose the water rate increase under Docket No.20250088-WU.

The proposed increase from an average of \$15 per month to over 100 per month- is excessive and would create financial strain on many in on fixed income. A increase of this size is neither reasonable nor affordable.

I respectfully urge the Commission to reject or reduce proposed rate increases and prioritize affordable and consumer protection for the residents of Water Oak.

Thank you  
Richard Noble  
Water Oak Resident
