Please listen to your constituents. Our SS did not go up enough to keep up with this. The rate increase is excessive. And if this doesn't include sewer that's even worse.

Water Oak resident.

Subject Opposition to Proposed

Dear Florida Public Service
Commission Clerk,

I am a retired customer of Water
Oak Utility in Lake County and I am
writing to oppose the proposed
water rate increase under Docket
No. 20250088-WU.

The proposed increase—from an
average of about \$15 per month to
more than \$100 per month—is

excessive and
serious financial
retirees living on
Water is an essential
customers rely on
provider. At this
magnitude, the increase is
unaffordable.

I respectfully request
to reject or significantly
reduce the proposed rate
increase and to
prioritize affordable
water service and
protection of
Water Oak.
