I'm out of the office until Tuesday.
Not sure what his schedule is on this but it shouldn't take him too long.
Maybe another month to the CASR ..

Mr. Rendell,

We need to revise the docket CASRs. What is the time frame you expect for the completion of the new maps?

Thank you

Just to give you an update. I talked to the engineering firm concerning Citrus Waterworks territory. Unfortunately, he didn't have the actual description for the map from 1999. I have an engineer working on it from U.S. Water Services.
