Dear Florida Public Service Commission Clerk,
I am a retired customer of Water Oak Utility in Lake County and I am writing to oppose the proposed water rate increase under
Docket—No. 20250088-WU

The proposed increase—from an average of about \$20 per month to more than \$100 per month is completely excessive and would create a serious financial hardship for retirees / widows living on fixed incomes..such as myself.

Water is an essential service, and customers have no alternative provide an increase of this magnitude is neither reasonable nor affordable.

I respectfully urge the Commission to **reject or significantly reduce** this proposed rate increase and to prioritize affordability and consumer protection for residents of Water Oak.

I cannot afford this kind of increase as a widow —please help not only myself, but my neighbors and friends in this similar situation living here in Water Oak Community.
