To our governing officials

I am appalled at the request from Sun homes to raise our water rates sky high. ! Seems like corporate overreach and greed!

We have lived in Water Oak for 12 years and our lot rent just keeps going up up up until with all the cost of goods and home owners insurances as well as health insurance sky rocketing it is becoming increasingly difficult to remain here in our home! Where would we go if we can't stay???

We live on SS with no other retirement income

And the general consensus in this park is of the same position. It definitely mars our sense of wanting to live in Florida.

Please do something to help us!

Thank you

Sincerely

Phil and Connie Cook
