CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I am writing to you as a resident of Water Oak community located in Lake County Florida. I am in opposition to the ridiculous and unfair water increase that is being proposed. The increase is unreasonable and greatly affects those on a fixed income. Please deny the rate increase concerning Docket No. 20250088-WU. How can a 300 percent increase at one time be legal or even justified? Thank you and hopefully the right and moral thing will be carried out.

Sincerely,  
Victoria Douglas  
Water Oak resident
