To Whom it may Concern,

I find it very outrageous to propose such a rate increase to our Community. This is a retirement Community and we are all living on a fixed income. Sun Communities increases our lot rent 5 percent every year. What exactly is that increase covering?? Perhaps it should be towards water usage?? I just moved here only 2 years ago and am already thinking I need to move. My husband is retired and I am a disabled Veteran and we are on fixed incomes. I find this to be more about greed and taking advantage of a retirement Community who can not afford such a price hike. With so many homes for sale already in here this just forces the numbers to increase. SHAME on the greed you are perpetuating upon us.
