Dear Sir or Madam,

This message is to formally notify the Florida Public Service Commission that Guivi Telecom is operating in the State of Florida as a reseller of interconnected VoIP and SIP-based telecommunications services.

Our company does not own, operate, or maintain telecommunications network infrastructure. All telecommunications services are provided through FCC-registered third-party carriers, and our role is limited to resale, customer management, and support services.

Company information:

Legal Name: Reche Group INC - Guivi Telecom

Business Address: 9805 Arbor Oaks LN #103 Boca Raton FL

EIN: 32-0535829

FCC Registration Number (FRN): 0037876356

Based on our understanding, our activities fall under a telecommunications reseller / information services model, for which state certification or concession is not required, and notification is sufficient.

Please let us know if any additional information is required for your records.

Thank you for your attention.

Sincerely,  
Gladson Reche
