Dear Florida Public Service Commission Clerk,

I am a full-time resident of Water Oak. I am writing to oppose the proposed water rate increase under Docket No. 20250088-WU. The proposed increase would cause serious financial hardship for those in our community on a fixed income. Water is an essential service, it's not one of the things we can do without. A moderate increase over time is expected, but this request is unreasonable and unaffordable to most people in this retirement community. I respectfully urge the Commission to reject or significantly reduce the proposed rate increase for the residents of the Water Oak community.

Sincerely,

Marie & John Lombardi
