To whom it may concern, I am a resident of Water Oak in Lady Lake Florida and I am very concerned with this proposed water rate hike. I believe it is extremely unfair and will force many people out of this park. It's very hard to make ends meet as it is and then to increase our water rates 700% is totally unacceptable! Most people in this park are in fixed incomes and can not afford to pay such a high rate. Sun communities needs to find another way than to increase their residents water bills. We already pay much higher lot rents than many in this area. Thank you for hearing me out.
