I have lived in Water Oak since June 2006. Moved here from New York and was drawn to this community for many reasons, one of which was the affordability. As the lot fees have gone up, and almost doubled since we've moved in....we have had to adjust our budget accordingly. With this Water Rate Proposal.....I don't know how we are going to make ends meet. My husband and I are in our 80's and on social security....and at this stage of our lives....where do we go???? Very sad and very scary!!!
