To Whom It May Concern,

This communication is in regards to: Docket # 20250088WU

I am writing to formally protest the proposed 400 percent increase with our water/wastewater at Water Oak Country Club. We moved to Water Oak Country Club Estates, a 55 plus modular home community owned by Sun Communities in 2022.

According to the expenses and revenue reports listed on their website, their investors revenue exceeds expenses by far. I find this proposed increase to be unjust, unconscionable, and disproportionate to the cost of service. Especially for those of us who are living on fixed incomes. We request that this letter be counted as a formal, written objection to this increase.

Grounds for Protest:

Undue Financial Burden: An increase of this magnitude is not sustainable, and quite simply senior abuse.

Lack of Justification: The company has not provided sufficient evidence that the infrastructure improvements or costs justify a 400 % increase to any households.

We request that the PSC thoroughly investigate the rate-setting methodology of the Water Company and deny this excessive increase. We also request a review of billing history to verify the accuracy of the proposed amount.

Sincerely,

Tony and Renate Fuller
