The "Staff Recommended Rates" stated in the mailing we all received were prepared by Florida Public Service Commission in response to Sun's submission/request. 2. OPC attorneys won't engage with us initially because of the 'Rate Case Expense'. [This refers to the legal expenses chargeable to the residents] Often, what benefit they may provide is more expensive than doing nothing because of legal expenses incurred.

3. They [OPC] have a Water Systems Specialist [non-attorney] going through all of the spreadsheets provided by Sun Communities 'with a fine tooth comb'... at no charge.
