To Whom It May Concern,

I am writing to oppose the proposed 400% increase in my water bill/rate. I own a home in Water Oak Country Club Estates, a branch of Sun Communities. I feel the proposed water rate hike is unjust. This letter to be considered my formal, written, objection to the increase. All who live here are on a fixed income, this rate hike would cause undo hardships on residents who are already paying an exorbitant amount for rent. There has been no clarification of sufficient evidence to justify such an increase.

I request PSC to thoroughly investigate the rate-setting methodology of the water company and deny this excessive increase that will raise my monthly bill four hundred percent.
