BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Energy Conservation Cost)
Recovery Clause.)
_____)

DOCKET NO. 20260002-EG
FILED: May 5, 2026

PETITION OF TAMPA ELECTRIC COMPANY

Tampa Electric Company ("Tampa Electric" or "the company"), hereby petitions the Commission for approval of the company's conservation cost recovery true-up for the period January 2025 through December 2025. In support thereof, the company says:

1. Tampa Electric is a Florida corporation and is a wholly owned subsidiary of TECO Holdings, Inc., which is a wholly owned subsidiary of Emera, Incorporated. The company is an investor-owned electric public utility regulated by the Florida Public Service Commission ("FPSC" or "Commission") pursuant to Chapter 366, Florida Statutes.

2. Tampa Electric currently provides retail electric service to approximately 860,000 customers in a 2,000 square mile service territory in Hillsborough and portions of Polk, Pasco, and Pinellas counties, Florida.

I. Statement of Ultimate Facts Providing the Basis for Relief

3. During the period January 2025 through December 2025, Tampa Electric incurred actual total conservation costs of \$47,597,019 plus a beginning true-up over-recovery of \$67,045. The adjusted net true-up amount for January 2025 through December 2025 was an over-recovery of \$1,706,139 including interest. (See Exhibit No. RGJ-1; Schedule CT1, Page 1 of 1 and CT2, Page 1 of 4, filed May 5, 2026).

4. Tampa Electric requests that the over-recovery be included in the calculation of its cost recovery factors for the period beginning January 2027. The company performed the calculation of the final net true-up for January 2025 through December 2025 consistently

with prior true-up calculations approved by the Commission in prior Energy Conservation cost recovery dockets. This calculation is supported by the testimony of Tampa Electric witness Robert G. Johnston and Exhibit No. RGJ-1, entitled “Tampa Electric Company, Schedules Supporting Conservation Cost Recovery Factor, Actual, January 2025–December 2025”.

II. Information Required by Rule 28-106.201

5. The Petitioner’s name and address are:

Tampa Electric Company
3600 Midtown Drive
Tampa, Florida 33607

6. The persons to whom all notices and other documents should be sent in connection with this docket are:

Paula K. Brown

(850) 222-7952 (fax)

7. This Petition represents an original pleading and is not filed in response to any proposed agency action by the Commission. Accordingly, the company is not responding to any proposed agency action.

8. The company’s substantial interests will be impacted by the Commission’s action on this Petition, because such action will affect Tampa Electric’s rates and charges.

9. In compliance with paragraph (2)(d) of Rule 28-106.201, F.A.C., Tampa Electric states that it is not aware of any disputed issues of material fact at this time and does not believe any disputed issues of material fact will arise in this docket but acknowledges the possibility that other parties could assert disputed issues of material fact during this proceeding.

WHEREFORE, Tampa Electric Company requests the Commission's approval of the company's prior period conservation cost recovery true-up calculations for the period January 2025 through December 2025.

DATED this 5th day of May, 2026.

Respectfully submitted,

J. JEFFRY WAHLEN
