Tallahassee, FL 32399-0850

**RE: Docket No. 20260002-EG**  
**Energy Conservation Cost Recovery Clause**

Dear Mr. Teitzman:

Enclosed for filing on behalf of Florida Power & Light Company ("FPL") in the above-referenced docket is FPL's Petition for Approval of Energy Conservation Cost Recovery True-Up for the Period January 2025 through December 2025. Pursuant to Order No. PSC-2026-0036-PCO-EG, the accompanying prepared testimony and exhibit of FPL witnesses Richard L. Hume and Lonzele S. Noack will be filed under separate cover.

Thank you for your assistance. Please contact me should you or your staff have any questions regarding this filing.

Sincerely,

*/s/ Joel T. Baker*

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Energy Conservation Cost Recovery Clause

Docket No. 20260002-EG

Filed: May 5, 2026

**FLORIDA POWER & LIGHT COMPANY'S PETITION  
FOR APPROVAL OF ENERGY CONSERVATION COST RECOVERY  
TRUE-UP FOR THE PERIOD JANUARY 2025 THROUGH DECEMBER 2025**

Pursuant to Order Nos. PSC-2026-0036-PCO-EG and PSC-2026-0044-PCO-EG, Florida Power & Light Company ("FPL") petitions the Florida Public Service Commission ("Commission") for approval of FPL's Energy Conservation Cost Recovery ("ECCR") clause final net true-up under-recovery of \$1,860,012 for the period January 2025 through December 2025. In support of this petition, FPL incorporates the prepared written testimonies of witnesses Richard L. Hume and Lonzele S. Noack, along with Exhibit LSN-1.

1. FPL is a public utility subject to the Commission's jurisdiction pursuant to Chapter 366, Florida Statutes. Pursuant to Section 366.82, Florida Statutes, and Rule 25-17.015, Florida Administrative Code ("F.A.C."), FPL has an ECCR clause through which it recovers its reasonable and prudent un-reimbursed costs for conservation audits, conservation programs, and the implementation of FPL's conservation plan. FPL has substantial interests in the proper calculation and recovery of its ECCR factors and the final true-up, which is used in the computation of FPL's ECCR factors.

2. The calculations and support for FPL's final net true-up for the period January 2025 through December 2025 are contained in the prepared testimonies of FPL witnesses Hume and Noack, as well as Exhibit LSN-1.

3. Rule 25-17.015(1)(a), F.A.C., provides in part that each utility seeking conservation recovery must file "[a]n annual final true-up showing the common costs, individual program costs and revenues, and actual total ECCR revenues for the most recent 12-month historical period from

January 1 through December 31 that ends prior to the annual ECCR proceedings,” along with a summary comparison of the actual costs and revenues reported to the costs and revenues previously estimated for the same period.

4. In Order No. PSC-2025-0435-FOF-EG, dated November 24, 2025, the Commission approved an over-recovery of \$4,641,992, including interest, as FPL’s actual/estimated ECCR true-up for the period January 2025 through December 2025.

5. FPL’s final true-up for the period January 2025 through December 2025 is an over-recovery of \$2,781,980, including interest and prior period adjustment.

6. FPL’s final true-up over-recovery for the period January 2025 through December 2025 of \$2,781,980 minus the actual/estimated over-recovery for the same period of \$4,641,992 results in the final net true-up under-recovery of \$1,860,012.

7. FPL requests the \$1,860,012 under-recovery be included in the calculation of its 2027 ECCR factors. The calculation for the final net true-up for January 2025 through December 2025 was performed consistently with prior true-up calculations approved by the Commission in predecessor ECCR dockets, and those calculations and the supporting documentation are contained in Exhibit LSN-1, co-sponsored by FPL witnesses Hume and Noack. Exhibit LSN-1 consists of (a) the ECCR True-Up Reporting Forms that FPL and other utilities were directed to file by the Commission’s Electric & Gas Department memorandum dated April 14, 1982, (b) explanatory supplements to certain of those forms, (c) a complete list of account and subaccount numbers used for ECCR as required by Rule 25-17.015(3), F.A.C., and (d) documentation necessary to support claimed energy savings in conservation advertising as required by Rule 25-17.015(5), F.A.C.

8. The approval of FPL's final ECCR net true-up under-recovery of \$1,860,012 for the period January 2025 through December 2025 is in the public interest. Section 366.82, Florida Statutes, and Rule 25-17.015, F.A.C., entitle FPL to relief.

WHEREFORE, FPL respectfully requests that the Commission approve an under-recovery of \$1,860,012 as the final net true-up for the January 2025 through December 2025 period, and that the approved final net true-up be carried over and reflected in FPL's 2027 ECCR factors.

Respectfully submitted,

Maria Jose Moncada
