Docket # 20250088-WU If Sun Communities is so upfront, accountable and transparent. Then why are there other Sun Communities Parks Petitioning and having Facebook conversations? Are Lot rent fees being misused and or forgotten for Water Oaks / Sun Communities Water Rate Increase? Residents in Sun Communities are facing serious concerns involving unjustified rent increases, which are imposed without clear explanation or documentation. These abrupt and unexplained hikes in rent not only strain the financial stability of residents but also overshadow the essence of affordable living, which mobile home parks were supposed to offer.
