Dear Mr. Sanchez,

Thank you for the opportunity to review the 2026 Ten-Year Site Plans submitted to the Florida Public Service Commission. Polk County has reviewed each of the Ten-year Site Plans identified in your correspondence as having preferred or potential plant sites within the County's jurisdiction. After review, the County has no comments to offer on the suitability of these plans.

We appreciate the Commission's continued coordination with local governments through annual review process. Please contact our office if any additional information is needed.

Sincerely,

Benjamin J. Ziskal, AICP, CEcD
