In re: Petition for rate increase by
Florida Power & Light Company.

DOCKET NO.: 20250011-EI

FILED: July 16, 2026

**JOINT STIPULATED STATEMENT IN
SUPPORT OF MODIFIED APPELLATE RECORD**

Pursuant to Florida Rules of Appellate Procedure 9.190(c)(6) and 9.200(a)(3), Florida Rising, Inc. (“Florida Rising”), LULAC Florida, Inc. (“LULAC”), and Environmental Confederation of Southwest Florida, Inc. (“ECOSWF”), (collectively, “FEL”), the Office of Public Counsel (“OPC”), the Florida Public Service Commission (“Commission”), Floridians Against Increased Rates, Inc. (“FAIR”), and Florida Power & Light Company (“FPL”) (collectively, the Parties), file this Joint Stipulated Statement in Support of Modified Appellate Record, and provide notice of the Clerk of the Commission of their intention to rely on a modified record, and in support state:

1. The issues to be presented on appeal stem from appeals by OPC, FEL and FAIR of two orders of the Commission regarding a request for base rate increase by FPL. The first order, PSC-2026-0022-S-EI, rendered January 22, 2026, is a Final Order approving FPL's 2025 stipulation and settlement agreement. The second order, PSC-2026-0117-FOF-EI, rendered April 27, 2026, is a Final Order Granting Customer Majority Parties’ Joint Request for Oral Argument and Granting in Part and Denying in Part Joint Motion for Reconsideration of the Final Order Approving the 2025 Stipulation and Settlement Agreement.

2. There are certain broad categories of documents that the Parties jointly agree are not necessary for the Court’s determination of the issues to be presented, including: discovery notices, Minimum Filing Requirements and pre-filed testimony that were ultimately admitted into evidence, superseded pre-filed testimony and other documents, and certain confidentiality requests

and related docket entries.

3. Pursuant to Florida Rule of Appellate Procedure 9.190(c)(2), the record in an administrative appeal includes summonses, subpoenas, returns, and discovery notices. Those items are typically excluded in a non-administrative appeal, pursuant to Florida Rules of Appellate Procedure 9.200(a)(1). The parties jointly stipulate and agree that such items are not necessary for the Court's determination of the issues to be presented.

4. In addition, proceedings before the Commission also require certain items in support of the petition to be pre-filed, such as Minimum Filing Requirement Schedules (MFRs) and pre-filed testimony. To the extent that pre-filed testimony and documents that were part of the MFRs were ultimately admitted into evidence, there is no need to have that information in the appellate record twice. Additionally, to the extent that pre-filed testimony was later modified or withdrawn, or otherwise not admitted into evidence, there is no need to include that information in the appellate record. The Parties jointly stipulate and agree that, except where otherwise stipulated, such items are not necessary for the Court's determination of the issues to be presented.

5. Due to a logistical misunderstanding at hearing related to the need for extra care in safeguarding confidential information, Exhibit Number 487 was admitted into the record but not initially located within the materials retained by the Clerk. It has been provided to the Commission and, by agreement among the parties to the appeal, the record was corrected with a verified, genuine original of the exhibit and the document will be transmitted to the Court.

6. The Parties have jointly stipulated and agreed as to which items should be included in the modified record to be sent to the Court. Those determinations are reflected in the attached Exhibit A. Items to be included in the modified record are denoted by being highlighted. The excluded items generally fall into one of the categories discussed above, but may also include other items.

The parties have further agreed that this stipulation does not foreclose a party from supplementing this appellate record with any other item that would otherwise have been properly included in the Record on Appeal pursuant to the applicable Florida Rules of Appellate Procedure.

Respectfully submitted this 16th day of July, 2026:
