To Florida PSC:

We received the notice of a Florida City Gas rate increase

It is is not wanted by anyone.

We need rate cuts.

Expenses for food is insane.

We need to stop these rate increases for all utilities, gas and food.

With this FCG increase you will see people using less gas products.

We will not be using the dryer.

Lowering the water heater temp.

Less stove cooking.

And no BBQ.

Forget about heating the pool. Which is therapy for severe arthritis..

You will make our lives miserable by increasing the FCG rate.

This is what we get for working hard all our lives ?

In retirement we can not go on a vacation. Even driving to places is not happening.

Now we have to cut out gas conveniences in our own home.

If you do increase the gas bills, we hope you will see less usage by the poor of the communities.

Signed,

Unhappy consumers,

Walter and Kathy Ruszczyk
