B2.15 Waiver of Nonrecurring Charges for Customers with Subvoice Grade Private Lines and Local Area Data Channels (Cont'd)

- B. In consideration of the decreasing supply of metallic facilities, the Company will convert a customer's service that is based on such facilities to an alternate service and waive the nonrecurring charges associated with the change. This applies to a customer where metallic facilities are being displaced with non-metallic facilities, or a customer may elect to make this change at any time prior to a modernization program that would eliminate the availability of metallic facilities.
- C. This waiver applies to private line customers with Subvoice Grade Service and Local Area Data Service. Alternative services that a customer may convert to are Voice Grade Private Lines, SynchroNet[®] service, WatchAlert[®] service or Basic Local Exchange Service.
