EXECUTIVE SUMMARY

Introduction:

Pursuant to PSC Order No. PSC-01-2308-PAA-TL, AT&T implemented Rate Center Consolidation in the Keys. On March 21, 2002, AT&T filed tariff T02-0311 completing the consolidation process and modifying all the rates associated with the consolidation. At that time, AT&T overlooked filing the updated exchange maps to recognize the consolidation of the seven exchanges into one. This filing corrects that oversight. There is no impact to any customers due to this filing.
