Request for an extension for the Semi-Earnings Surveillance Report for  
the period ending June 30, 2025

Dear Mr. Andrew:

We request an extension for thirty days till September 15, 2025 to file the Semi-Earnings Surveillance Report.

Because of scheduling delays and other scheduling conflicts, we are unable to complete the Report by September 15, 2025. The information necessary to file a complete and accurate return is currently being accumulated. It is anticipated that this information can be obtained and the report filed within the extension period.

We understand that you will send both Sebring Gas System, Inc. and us the approval of this request. If you have any further questions regarding this request, please contact me at (813)282-3400.
