RE: Public Utility Commission of Florida Docket No. 20230123-WS Resume of Gerald C. Hartman

Dear Commissioners:

This letter, along with the attachments, is the filing by Mr. Gerald C. Hartman, PE, ASA, BCEE (Water/Wastewater), seeking to be qualified as an accredited impartial Utility Valuation Expert pursuant to Docket No. 20230123-WS, List of Experts Qualified to Establish An Alternative Rate Base Value of Acquired Water and/or Wastewater Utility.

I am furnishing the following:

- 1) My resume that reflects my education and experience specific to providing valuations and appraisals of utility plant property.
- 2) Accredited Senior Appraiser (ASA) Re-Accreditation, Machinery and Technical Specialties (MTS) Specifically Public Utility Property (PU)
 - Accreditation Number: 7542
- 3) American Academy of Environmental Engineers Board Certified
 - Certification Number: 88-10034
- 4) State of Florida Professional Engineers License
 - PE27703
- 5) A copy of my approved North Carolina Utilities Commission Utility Valuation Expert letter.
- 6) A copy of my approved Texas Utilities Commission Utility Valuation Expert letter.

My contact information is as follows: Hartman Consultants, LLC, Owner 1580 Bryan Avenue Winter Park, FL 32789

Ph: (407) 341-0970

Emails: gerryhartman61@icloud.com; gerry@hartmanconsultant.com

Thank you for considering my submittal.

Very truly yours,

Hartman Consultants, LLC

Professional Summary

Management Consulting/Appraisal/Expert Testimony

Mr. Hartman is an experienced utility engineer and appraiser specializing in utilities and systems. He is a qualified rate, fee and charge studies expert witness in the area of utility system valuation and financing, facility siting, certification/service area/franchises and formation/creation, management and acquisition projects. Mr. Hartman is accepted in various Federal Courts, Circuit Courts, Division of Administrative Hearings, Public Service Commissions, arbitration, and quasi-judicial hearings conducted by cities and counties, as a technical expert witness in the areas of utility systems (water, wastewater, stormwater, solid waste, gas and electric), certification/service area/franchises, facility planning, utility conveyance, transmission and distribution, utility resources, utility treatment, engineering, permitting and regulations, utility system design and construction, and utility systems valuation (water, wastewater, stormwater, solid waste, gas, and electric systems), costing and damages.

Professional Experience

Machinery and Technical Specialties, ASA - Public Utilities

Public Utilities Appraisal Specialty Certified, ASA Tangible Personal Property – VAB, Magistrate Orange County, FL (2009 and 2010)

Tangible Personal Property – Special Magistrate Osceola County, FL (2011, 2012, and 2013/2014) Hendry

County, FL (2012 and 2013/2014)

Financial Reports

Mr. Hartman has been involved in over 300 capital charge, impact fee, connection of and installation charge studies involving water, wastewater and fire service for various utilities. He also has participated in over 150 user rate adjustment reports. Mr. Hartman assisted in the development of over 70 revenue bond issues, 20 short-term bank loan systems, 10 general obligation bonds, numerous grant/loan programs, numerous capacity sale programs, and 20 privatization programs. Mr. Hartman has been involved in over \$3 billion in utility bond and commercial loan financings for water and wastewater utility, and over \$4 billion in utility grants, matching funding, cost-sharing; SRF loans and Federal Loans (R.D., etc.), assessments and CIAC programs.

Utility Appraisals, Valuations and Evaluations

Mr. Hartman has been involved in over 600 utility negotiations, appraisals, fairness opinions and review appraisals, and has been a qualified expert witness by the courts with regard to utility arbitrations and condemnation cases. He has participated in the valuation of numerous utility systems. His experience includes:

and numerous other utility valuations in the 1976-1987 period.

Utility Management Consulting

Mr. Hartman has been involved in utility transfers from public, not-for-profit, district, investor-owned, and other entities to cities, counties, not-for-profit corporations, districts, and private investors. He has been involved in staffing, budget preparation, asset classification, form and standards preparation, utility policies and procedures manuals/training, customer development programs, standard customer agreements, capacity sales, and other programs. Mr. Hartman has been involved in over 100 interlocal agreements with respect to service area, capacity, service, emergency interconnects, back-up or other interconnects, rates, charges, service conditions, ownership, bonding and other matters.

Additionally, Mr. Hartman has assisted in the formation of newly certificated utilities, newly created utility departments for cities and counties, new regional water supply authorities, new district utilities, and other utility formations. Mr. Hartman has assisted in utility reserve areas for the Cities of Haines City, Sanibel, Lakeland, St. Cloud, Winter Haven, Bartow, Palm Bay, Orange City, and many others. He has participated in the certification of many utilities such as ECFS, Malabar Woods, B&C Water Resources, Inc., Farmton Water Resources, Inc. and many others; and certification disputes such as Windstream, Intercoastal Dulay Utilities, FWSC/ITT, and others and served as service area certification staff of the regulatory for St. Johns County; i.e., Intercoastal, etc.; as service area transfer/certification staff of the regulatory for Flagler County; i.e., Palm Coast to FWSC. He has served as a local County regulatory staff professional in Collier, Citrus, Hernando, Flagler and St. Johns Counties, as well as elsewhere. Mr. Hartman also provided technical assistance to many utility service area agreements such as Winter Haven/Lake Wales/Haines City, etc. and North Miami Beach - MDWASD and others. For over 30 years, Mr. Hartman has been a professional assisting in the resolution of utility issues.

Utility Finance, Rates, Fees and Charges

Mr. Hartman has been involved in hundreds of capital charge, impact fee, and installation charge studies involving water, wastewater, stormwater, solid waste, gas and electric service for various entities and at the rate regulatory commissions. He also has participated in hundreds of user rate adjustment reports. Since 1976, Mr. Hartman assisted in the development of over 50 revenue bond issues, 20 short-term bank loan systems, 2 general obligation bonds, 26 grant/loan programs, 10 capacity sale programs, and 20 privatization programs. He has been involved in over hundreds of utility acquisition/utility appraisals for acquisition and is a qualified expert witness with regard to utility rates and charges, and utility negotiation, arbitration and condemnation cases. A few of his rate, charge and bond projects include:

- + UCNSB Revenue Bond Issue, 2020

Several expert witness assignments including Palm Bay vs. Melbourne; Tequesta vs. Jupiter; Town of Palm Beach vs. City of West Palm Beach; City of Sunrise vs. Davie; Kissimmee vs. Complete Interiors; and others.

Economic Evaluations/Credit Worthiness Analyses

Credit Worthiness Analysis for Drinking Water State Revolving Fund (1999) – Florida Department of Environmental Regulation

Credit Rating Reviews (1980-2000) – for numerous investor-owned utilities; many city-owned utilities (Winter Haven, Port St. Lucie, Miramar, Tamarac, Palm Bay, North Port, etc.); many county-owned utilities; several not-for-profit utilities; and utility authorities (OUA, etc.)

Financial Feasibility and Engineer's Revenue Bond Reports (1980-2000) – for over \$2 billion of water and/or wastewater bonds for some fifty (50) entities in the Southeast United States including Clay, Lee, Hernando, Martin, and other counties; Lakeland, West Palm Beach, Miramar, Tamarac, Panama City Beach, Winter Haven, Naples, North Port, Palm Bay, Port St. Lucie, New Port Richey, Clermont, Orange City, Deerfield Beach, Sanibel, City of Peachtree City, Widefield, and many other cities; Lee County Industrial Development Authority, Englewood Water District, and other utilities.

Privatization Procurement and Analysis for many water and wastewater systems including Sanibel, Town of Palm Beach, Temple Terrace, Palm Bay, Widefield, Bullhead City and sever others.

Service Areas and Negotiations

Mr. Hartman has participated in over thirty-five (35) service area formations, Chapter 25 F.S. certifications, Chapter 180.02 reserve areas, authority creations, and interlocal service area agreements including Lakeland, Haines City, Bartow, Winter Haven, Sanibel, St. Cloud, Palm Bay, SBWA, ECFS, MWUC, Edgewater, Orange City, UCCNSB, Port St. Lucie, Martin County, OUA, NKLUA, DDUA, and many others. Mr. Hartman has been a primary negotiator for interlocal service agreements regarding capacity, joint-use, bulk service, retail service, contract operations and many others for entities such as the Town of Palm Beach, Miramar, Lauderdale-By- The-Sea, North Miami Beach, Collier County, Marion County, St. Johns County, JEA and many others.

Expert Testimony

Mr. Hartman has been accepted in various Circuit Courts, Florida Division of Administrative Hearings, Florida Public Service Commission, arbitration, and quasi-judicial hearings conducted by cities and counties, as a technical expert witness in the areas of electric systems, solid waste systems, stormwater systems, gas systems, wastewater systems and/or biosolids facilities, water supply, facility planning, water resources, water treatment, water quality engineering, water system design and construction, wastewater collection, wastewater transmission, wastewater treatment, effluent/reclaimed water use, sludge processing and disposal, costing, damages, rates/charges, service and service areas, and utility systems valuation and utility systems valuation. Recently, Mr. Hartman has been an expert witness on utility condemnation, utility arbitration, water rates and use permitting DOAH case, utility rate setting DOAH case, service area and utility service civil case, City of Atlanta Water Treatment Plant Construction, City of Milwaukee Cryptosporidium, Jupiter vs. Tequesta Water Contract Services, Winter Park electric, Okeelanta/Osceola Power Plants, UCCNSB and many other condemnation cases. Mr. Hartman has been an expert witness in permitting and regulatory cases.

Mr. Hartman has given oral testimony on some 200 occasions over the past 38 years. He has assisted in the resolution of a similar number of matters without formal testimony.

STATE OF NORTH CAROLINA UTILITIES COMMISSION RALEIGH

DOCKET NO. W-100, SUB 60A

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of Establishment and Maintenance of List of Utility Valuation Experts Pursuant to N.C. Gen. Stat. § 62-133.1A(b)(1))	ORDER ACCEPTING APPLICANT FOR INCLUSION ON COMMISSION LIST OF UTILITY VALUATION EXPERTS
--	---	---

BY THE COMMISSION: On January 26, 2021, in the above-captioned proceeding, the Commission issued an order establishing this proceeding for the purpose of establishing and maintaining a list of accredited, impartial Utility Valuation Experts as required pursuant to N.C. Gen. Stat. § 62-133.1A(b)(1) and providing guidance for persons applying to be Utility Valuation Experts.

On February 16, 2021, Gerald C. Hartman of Hartman Consultants, LLC, filed an application for inclusion on the Commission-maintained list of Utility Valuation Experts. On March 23, 2021, he filed a supplement to his application. Included in the application was the required statement attesting that Mr. Hartman owes a fiduciary duty to provide a thorough, objective, and fair valuation; a list of Mr. Hartman's qualifications and certifications; and the required statements that Mr. Hartman will make use of the assessment of tangible assets of the system conducted by a Professional Engineer and that Mr. Hartman will comply with the requirements of N.C.G.S. § 62-133.1A in conducting his appraisal. In addition, Mr. Hartman included in his application a notarized attestation that the contents of his application are true.

The Commission has carefully reviewed and considered Mr. Hartman's application to be included in the Commission-maintained list of Utility Valuation Experts. Based upon the foregoing and the entire record herein, the Commission determines that the information contained in Mr. Hartman's application satisfies the requirements of Commission Rule R7-41(c) and Rule R10-28(c) and that Mr. Hartman is qualified to be added to the Commission's list of Utility Valuation Experts. Attached as Appendix A is the List of Qualified Utility Valuation Experts, current as of the date of this Order.

IT IS, THEREFORE, ORDERED as follows:

 That Gerald C. Hartman of Hartman Consultants, LLC, shall be, and is hereby, qualified to be added to the Commission's list of qualified Utility Valuation Experts which was established and is maintained in this docket pursuant to N.C.G.S. § 62-133.1A(b)(1);

- 2. That Mr. Hartman shall immediately file a written notification with the Commission if he is charged with a criminal act involving dishonesty, fraud, or deceit, or experiences the loss of any professional licenses or technical certifications included in his February 16, 2021 application. Mr. Hartman may include with his filing a concise explanation of the circumstances that resulted in the criminal charges or loss of license or certification; and
- That Mr. Hartman shall annually file with the Commission on or before October 1 of each year a verified certification that his qualifications as provided in his February 16, 2021 application have not materially changed.

ISSUED BY ORDER OF THE COMMISSION.

This the 23rd day of April, 2021.

NORTH CAROLINA UTILITIES COMMISSION

A. Shonta Dunston, Deputy Clerk

Public Utility Commission of Texas

Memorandum

TO: Interested Parties

FROM: Heidi Graham, Infrastructure Division

DATE: March 2, 2022

RE: Project No. 49818, List of Experts Qualified to Conduct Economic Valuations

under Texas Water Code § 13.305 and 16 Texas Administrative Code §

24.238(c)

Texas Water Code § 13.305(b) and the Commission's associated rule, 16 Texas Administrative Code § 24.238(c), require the Commission to maintain a list of utility valuation experts qualified to determine the fair market value of a selling utility or the facilities to be sold for which the Commission has received notice under those statutory and rule sections. The current list is contained in the following table:
