**JEA’S RESPONSE TO FIRST COAST REGIONAL UTILITIES, INC.’S SECOND
REQUEST FOR ADMISSIONS TO JEA
(REQUESTS 6-19)**

JEA, pursuant to rule 1.370, Florida Rules of Civil Procedure, responds to Applicant First Coast Regional Utilities, Inc.’s (“Applicant’s”) Second Request For Admissions as follows:

Request 11: Admit that the JEA does not have the present water plant capacity to serve more than 3,000 ERCs in the proposed First Coast Service area.

Answer: Admitted. The PUD Ordinance requires the developer at its expense to construct the water, wastewater, and reuse water capacity for the development and dedicate it to JEA.

Request 12: Admit that the JEA does not have the present wastewater plant capacity to serve more than 3,000 ERCs in the proposed First Coast Service area.

Answer: Admitted. The PUD Ordinance requires the developer at its expense to construct the water, wastewater, and reuse water capacity for the development and dedicate it to JEA.

Request 13: Admit that the JEA has no present plans to construct, on its own, additional water treatment plant capacity in the proposed First Coast service area.

Answer: Admitted. The PUD Ordinance requires the developer at its expense to construct the water, wastewater, and reuse water capacity for the development and dedicate it to JEA.

Request 14: Admit that the JEA has no present plans to construct, on its own, additional wastewater treatment plant capacity in the proposed First Coast service area.

Answer: Admitted. The PUD Ordinance requires the developer at its expense to construct the water, wastewater, and reuse water capacity for the development and dedicate it to JEA.

Request 15: Admit that the JEA has no present plans to construct, on its own, additional reuse water treatment plant capacity in the proposed First Coast service area.

Answer: Admitted. The PUD Ordinance requires the developer at its expense to construct the water, wastewater, and reuse water capacity for the development and dedicate it to JEA.
