**FPL's Response to OPC's Fourteenth Request for  
Production of Documents No. 134.**

QUESTION:

In reference to Forrest, p. 15, l. 17 through p. 16, l. 12, please provide any and all forecasts FPL expects as it relates to the individual sales/ gains/optimization of natural gas, natural gas capacity, manufactured gas, mixed gas, renewable natural gas hydrogen gas, and other fuel sources. Please provide these forecasts on an annual basis starting in 2022 and going forward for as long as FPL can so estimate. Please provide the annual allocation, in \$ amounts, of each such sales/gains/optimization between customers and FPL.

RESPONSE:

FPL has no responsive documents.
