Interrogatory No. 53

INTERROGATORIES

53. For each energy and demand forecast used to support the Company's billing determinants appearing in Form 5P of the Petition, please provide the annual actuals for calendar years 2016-2021 and the annual projections for 2022 and 2023.

Company Response:

Refer to the attachment for actual periods 2016-2021 and annual projections for the 2022 and 2023 periods.

Respondent: Michelle Napier

Interrogatory No. 54

54. Please list the date(s) of all underlying forecasts that were used to formulate the billing determinants appearing in Form 5P of the Petition.

Company Response:

The forecast is from the Company's 2022 budget, which was approved in December 2021. The 2023 budget had not been developed at the time of this filing.

Respondent: Michelle Napier

Interrogatory No. 55

55. Please identify all closed and open Commission dockets and all non-docketed Commission matters in which the same load forecast used to support the Company's billing determinants appearing in Form 5P of the Petition, has been submitted for approval to the Commission.

Company Response:

The Company has used the same load forecast in the projections filed on September 2, 2022 in the Fuel and Purchased Power Cost Recovery Clause Proceeding at Docket No. 20220001-El.
