RE: TL727

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. d/b/a CenturyLink General Exchange Tariff. This filing is submitted with a proposed effective date of September 15, 2010. The Company's tariffs are available on its website at <http://about.centurylink.com/tariffs/>.

Section A27	Third Revised Sheet 8.1	Section A27 (cont'd)	First Revised Sheet 29
	Thirteenth Revised Sheet 10		First Revised Sheet 30
	Eleventh Revised Sheet 11		First Revised Sheet 31

This filing proposes to introduce Three-Way Calling with Transfer as an option with certain packaged services. Customers may selection either Three-Way Calling or Three-Way Calling with Transfer in conjunction with Solutions II Business Packages Connected II and Complete Business Bundle II. Also, this filing proposes to delete a customer referral program previously available with Solutions Business Packages. Further, this filing proposes to add clarifying language for Business Solutions Packages Economy, Economy II, Economy IIA and Solutions II Package Economy IIB. Those bundles offer customers a choice of listed features. Previously an intended footnote was inadvertently omitted that should have specified the automatic provisioning of Call Waiting ID with the bundle when customers selected both Caller ID with Name and Enhanced Call Waiting as their feature choices. Subscription to both of those features is required in order to invoke the Call Waiting ID functionality.

This filing does not impact customers or the manner in which these bundles have been provisioned. All customers who subscribed to one of the Economy bundles were provisioned with and are aware of the functionality of Call Waiting ID when their bundle features include Caller ID with Name and Enhanced Call Waiting.

If you have any questions or need additional information regarding this filing, please call me or Sandy Khazraee at 850-847-0173.

Sincerely,

/s/ Debra Levy
