Upon the request of a directory listing publication, the Company will provide list of names and telephone numbers of Customers and joint-users for the purpose of informing calling parties of the telephone numbers of Customers and those entitled to use Customer's service. The Company limits the length of any listing by the use of abbreviations when, in the opinion of the directory publishing company, the clearness of the listing or the identification of the Customer or joint-user is not impaired thereby. Listings must conform to the practices of the directory publishing company with respect to its directories.

VarTec will furnish upon request the name and address of the Customer to exchange service when such service is used to provide recorded announcements under the provisions of this price list.
