ORDER APPROVING TARIFF WITHDRAWAL

BY THE COMMISSION:

On July 29, 1991, Alltel Florida, Inc. (Alltel or the Company) filed tariff revisions proposing to eliminate the secondary service order charge to customers who add certain ancillary central office offerings to their service. Those charges are currently \$11.00 for residential customers and \$15.00 for business customers. On January 14, 1992, the Company filed a request to withdraw this tariff.

Alltel states that the historical cost information that we requested is not readily available and would involve manual retrieval and review. Because the retrieval process would be costly and time consuming, the Company requests that we approve withdrawal of the tariff. We believe that Alltel's request is appropriate, and approve withdrawal of the tariff.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Alltel Florida, Inc.'s request to withdraw its proposed tariff to eliminate the secondary service order charge for certain central office services is hereby approved. It is further

ORDERED that this docket be closed.
