ORDER APPROVING TARIFF

BY THE COMMISSION:

On February 13, 1992, Central Telephone Company of Florida (Centel) filed a proposed tariff to eliminate the Special Application of the Service Center Function for the State of Florida's SUNCOM Network.

The Division of Communications, Florida Department of General Services, is the Network Control Center of the SUNCOM network. In its function as the Control Center, it provides trouble reporting, diagnosis, isolation and repair of the SUNCOM network. The Division of Communications operates the control center from 8:00am to 5:00pm on normal state working days.

The purpose of this filing is to eliminate the Special Application whereby Centel provides a Service Center function for the State of Florida's SUNCOM Network for those hours when the Network Control Center is closed. The charge per trouble call received is \$27.00.

The Special Application of the Service Center function for the State of Florida's SUNCOM Network was originally provided in 1987 for a one year period after the effective date of the tariff and was to be extended on a month-to-month basis thereafter until cancelled by either party with ninety (90) days written notice.

This service arrangement was cancelled by correspondence of March 1, 1990 from Mr. Glen Mayne, Director of the Division of Communications, Department of General Services (DGS). Centel discontinued providing the service to DGS effective May 31, 1990,

however, the Company never filed a tariff to remove the Special Application.

The Company proposed to remove this language in its last rate case (Docket No. 891246-TL); however, staff inadvertently omitted this in its recommendation in that case. Since the Company is no longer providing the service to DGS, and has not been for a period of time, we conclude the Special Application should now be removed.

We approve the tariff as filed with an effective date of April 14, 1992.

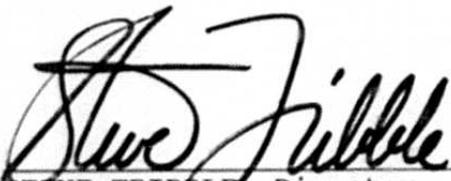

Therefore, based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that Central Telephone Company of Florida's tariff to eliminate the Special Application of the Service Center Function for the State of Florida's SUNCOM Network is approved as filed with an effective date of April 14, 1992.

ORDERED that if a timely protest is filed pursuant to the requirements set forth below, all increased revenues resulting from this filing shall be held subject to refund. It is further

ORDERED that if no protest is received within the time frame set forth below, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 23rd day of April, 1992.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or sewer utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure.
