FINAL ORDER

BY THE COMMISSION:

On March 5, 1992, Southland Telephone Company (Southland) requested an extension of time, until May 15, 1992, to file the required Annual Report. Rule 25-4.018, Florida Administrative Code, requires local exchange companies to file their annual reports by April 15 of each year. This rule also states that the filing date may be extended only by written permission of the Commission. Southland states that their request is necessary due to the workload in the Finance Department. Upon further inquiry, the Company indicated that its external auditors would be in their offices until March 20, 1992.

After the auditors complete their work, the Company will be able to complete its Florida and Alabama Annual Reports. In addition; however, the Company is filing Modified Minimum Filing Requirements on March 31, 1992.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Southland Telephone Company's requested extension until May 15, 1992 to file its Annual Report is hereby approved. It is further

ORDERED that this docket be closed.
