ORDER APPROVING TARIFF

BY THE COMMISSION:

On February 14, 1992, Central Telephone Company of Florida (Centel) filed a tariff to revise the per minute usage charges for interconnection of mobile service. We recently approved a tariff for Centel which flowed through a reduction in its Busy Hour Minute of Capacity (BHMOC) rate to mobile services interconnection charges. The company inadvertently calculated these charges to reflect a different BHMOC rate than we initially approved. In this filing, the company revises the mobile interconnection charges to reflect the proper BHMOC rate. This revision will result in an increase of \$.0001 in the per minute of usage rates.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff to revise the per minute usage charges filed by Central Telephone Company of Florida is hereby approved. It is further

ORDERED that any response to this Order shall be filed pursuant to the requirements set forth below. It is further

ORDERED that if a timely protest of this Order is filed, the tariff shall remain in effect with any increase in revenue held subject to refund pending resolution of the protest. It is further

ORDERED that if no timely protest of this Order is filed, this docket shall be closed at the conclusion of the protest period.
