ORDER APPROVING TARIFF REVISION

BY THE COMMISSION:

On March 16, 1992, Gulf Telephone Company (Gulf) filed tariff revisions to provide D-4 channel bank service to the Department of General Services (DGS). D-4 channel service provides support for digital service with speeds of 2.4, 4.8, 9.6 19.2 and Kbps. The Gulf tariff will provide point-to-point D-4 channel service for DGS. The channel equipment may be used with either an analog or digital circuit. The rates and structure of Gulf's offering are similar to Centel's D-4 channel service. Centel also offers D-4 channel service to DGS. The rates are comparable to those of Centel and appear to cover cost. Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff revision by Gulf Telephone Company to offer D-4 channel service to the Department of General Services is hereby approved. It is further

ORDERED that any protest of this Order shall be filed pursuant to the requirements set forth below. It is further

ORDERED that if a timely protest is filed, the tariff shall remain in effect, with any revenues held subject to refund, pending resolution of the protest. It is further

ORDERED that if no protest is filed within the protest period, this docket shall be closed.
