Associated with Florida Power) ORDER NO. PSC-92-0446-PCO-EI
Corporation's Crystal River 3) ISSUED: 6/3/92
Outages in 8/89 and 10/90.)
_____)

ORDER GRANTING EXTENSION OF TIME

In connection with the February, 1991 fuel adjustment proceedings in Docket No. 910001-EI, Public Counsel contested Florida Power Corporation's (FPC) recovery of the fuel costs associated with two unplanned outages that occurred at the Crystal River Unit 3 generating facility. The first outage occurred from August through October of 1989 and was caused by the failure of a seawater pump. The second outage occurred in October of 1990 and was caused by a lubricating oil leak.

A hearing on recovery of the fuel costs associated with the outages was held on February 12 and 13, 1992, and on May 5, 1992, the Commission issued Order No. PSC-92-0289-FOF-EI approving FPC's recovery of the fuel costs associated with both outages.

On May 20, 1992, Public Counsel moved for reconsideration of Order No. PSC-92-0289-FOF-EI. On June 1, 1992, the day FPC's response to the motion for reconsideration was due, FPC filed a motion for extension of time to file its response to June 8, 1992.

FPC represented in its motion that Public Counsel has no objection to the extension of time. Also, the six day extension will not interfere with any previously scheduled dates for reconsideration. The motion for extension of time is therefore granted.

By ORDER of Betty Easley, Commissioner and Prehearing Officer,
this 3rd day of JUNE, 1992.

BETTY EASLEY, Commissioner and
Prehearing Officer
