ORDER APPROVING STANDBY SERVICE
INTERCONNECTION AGREEMENT

BY THE COMMISSION:

Gulf Power Company has requested we approve modifications to its standby service interconnection agreement. We suspended this request in Order No. 25356 to allow staff adequate time for review. The tariff is intended to be used for self generating customers who are not exporting energy or power to any utility, but who wish to purchase standby service from Gulf Power Company.

Specifically, Gulf proposes to modify its existing standby service interconnection agreement by:

1. Adding indemnification language from their standard interconnection agreement;
2. Adopting the standard interconnection agreement's \$1,000,000 minimum for insurance liability; but also
3. Agreeing to enter into good faith negotiations with self-generators that present a greater than usual liability risk, to set an appropriate minimum level of insurance liability greater than \$1,000,000.

These modifications to Gulf's standby service interconnection agreement are consistent with the revisions to Gulf's standard interconnection agreement that we approved in Order No. 24989, except that Gulf has reserved the flexibility to negotiate a higher insurance minimum for standby service interconnection.

We believe that Gulf's proposed modifications to its standby

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests

are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on June 30, 1992.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
