other parties or by the Commission Staff. In addition, such failure shall preclude the party from presenting testimony in favor of his or her position on such omitted issues. Copies of prehearing statements shall also be served on all parties. Prehearing statements shall substantially conform to the Florida Rules of Civil Procedure requirements as to form, signatures, and certificates.

In accordance with Rule 25-22.028, Florida Administrative Code, all parties are required to file with the Commission's Division of Records and Reporting, a copy of their prehearing statement on computer diskette, along with a statement identifying the density of the diskette, the operating system and the software used to prepare the document on diskette.

All parties are additionally required to file with the Director of Records and Reporting a preliminary list of issues and positions in substantially the form as that identified in Section E of Attachment "A" hereto, on or before the close of business on July 7, 1992. Copies of the preliminary list of issues and positions shall be served on all parties, and shall substantially conform to the Florida Rules of Civil Procedure requirements as to form, signatures, and certificates.

Each party is required to prefile all exhibits and all direct testimony it intends to sponsor in written form. Prefiled testimony shall be typed on standard 8 1/2 x 11 inch transcript quality paper, double spaced, with 25 numbered lines, in question and answer format, with a sufficient left margin to allow for binding. An original and fifteen copies of each witness's prefiled testimony and each exhibit must be received by the Director of Records and Reporting, 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on the due date. Failure of a party to timely prefile exhibits and testimony from any witness in accordance with the foregoing requirements may bar admission of such exhibits and testimony. Copies of all prefiled testimony shall also be served by the sponsoring party on all other parties. Company prefiled direct testimony must be filed with the Director of Records and Reporting on or before July 7, 1992. Direct testimony of Staff and Intervenors must be filed with the Director of Records and Reporting on or before July 14, 1992. A final prehearing conference will be held beginning at 9:30

a.m., August 5, 1992 in Room 106, Fletcher Building, 101 East Gaines Street, Tallahassee, Florida. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, will be met in this case and the following shall apply:

- 1) Any party who fails to attend the final prehearing conference, unless excused by the prehearing officer, will have waived all issues and positions raised in his or her prehearing statement.
- 2) Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: he or she was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issues; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.
- 3) Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, he or she shall bring that fact to the attention of the prehearing officer. If the prehearing officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify his or her position in a post-hearing statement of issues. In the absence of such a finding by the prehearing officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in his or her post-hearing statement.

To facilitate the management of documents in this docket,

parties and Commission Staff shall submit an exhibit list with their respective prehearing statements. Exhibits will be numbered at the Prehearing Conference. Each exhibit submitted will be numbered at the Prehearing Conference. Each exhibit submitted shall have the following in the upper right-hand corner: the docket number, the witness' name, the word "Exhibit" followed by a blank line for the Exhibit Number, and the title of the exhibit.

An example of the typical exhibit identification format is as follows:
