Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

On April 14, 1992, Realcom Office Communications, Inc. (the Company) filed an application for an interexchange certificate. The application contained the required background information and its proposed tariff. After having considered the application, it appears that the Company is technically capable of providing service. Pursuant to Sections 364.335 and 364.337, Florida Statutes, the Commission may grant a certificate of public convenience and necessity to provide interexchange telecommunications services to a qualified person or other entity. Therefore, we find that it is in the public interest to grant a certificate to Realcom Office Communications, Inc., and it is our intention to grant the certificate. Interexchange carriers (IXCs) are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without express prior approval from the Commission.
