ORDER GRANTING JOINT MOTION FOR EXTENSION OF TIME TO
FILE PREPARED TESTIMONY AND PREHEARING STATEMENTS

On August 20, 1992, Southern States Utilities, Inc. and Deltona Utilities, Inc. (SSU, collectively) and the Office of Public Counsel (OPC) filed a Joint Motion for Extension of Time to File Prepared Testimony and Prehearing Statements. In the joint motion, SSU and OPC have requested a ten-day extension of time to submit prepared direct testimony and prepared rebuttal testimony. The parties have also requested a seven-day extension of time to file prehearing statements.

The parties have made their joint request so that OPC may take depositions of SSU witnesses prior to OPC's filing its prepared testimony and to accommodate preexisting commitments of counsel for both parties in other dockets. SSU and OPC request that the filing schedule be revised as follows:

Intervenor Testimony	10/05/92
Staff Testimony	10/12/92
Prehearing Statements	10/16/92
Rebuttal Testimony	10/26/92

I find the parties' request to be reasonable and, therefore, grant the joint motion. Order No. PSC-92-0638-PCO-WS, issued July 10, 1992, (Order Establishing Procedure) is hereby revised as set forth in the body of this Order, but is affirmed in all other respects.

Based on the foregoing, it is therefore

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
