ORDER APPROVING TARIFF PROPOSAL

BY THE COMMISSION:

On June 24, 1992, United Telephone Company of Florida filed a tariff proposal to transfer a portion of the Howey-In-the-Hills exchange to the Leesburg exchange. The Highland Lakes development is divided between the Howey-in-the-Hills exchange and the Leesburg exchange. The proposed boundary change would include the entire development into one single exchange.

The proposed boundary change would not impact any existing customers because no customers are currently living in the area to be changed to the Leesburg exchange. There would be no change in the rate group as a result of this change. Finally, because of the proximity of the Leesburg exchange this would be the most economical means of serving the development from one exchange.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the tariff revision by United Telephone Company of Florida described herein is hereby approved. It is further

ORDERED that this tariff shall be effective August 23, 1992. It is further

ORDERED that any protest of this Order shall be filed pursuant to the requirements set forth below. It is further

ORDERED that if this tariff is protested, the tariff shall
