ORDER GRANTING MOTION FOR EXTENSION OF TIME

By Order No. PSC-92-0857-PCO-TL, issued August 24, 1992, we directed GTE Florida Incorporated (GTEFL or the Company) to perform certain traffic studies. We ordered the Company to perform these traffic studies so that we could further evaluate Resolution No. 92-138 filed with this Commission by the Board of County Commissioners of Manatee County, as well as petitions from subscribers in the Palmetto exchange. The Resolution and petitions requested that we consider requiring implementation of extended area service (EAS) between the Palmetto exchange and the Sarasota exchange. The Company was directed to prepare and submit the studies to us within 60 days of the issuance date of Order No. PSC-92-0857-PCO-TL, making the studies due by October 23, 1992.

On September 2, 1992, GTEFL filed a Motion for Extension of Time requesting an extension through and including November 23, 1992, in which to prepare and submit the required traffic studies. As grounds for its request, GTEFL states that the Order requires preparation of substantial amounts of complex data that it does not customarily keep in the format required by the Order. For this reason, GTEFL believes it will need at least 30 additional days to complete the studies. GTEFL submits that no party will be prejudiced or harmed by the requested extension of time.

Upon consideration, I find it appropriate to grant GTEFL's Motion. Accordingly, GTEFL shall be granted an extension of time until the close of business on November 23, 1992, in which to prepare and submit the required traffic studies.

Based on the foregoing, it is

ORDERED by Commissioner Betty Easley, as Prehearing Officer that the Motion for Extension of Time filed on September 2, 1992, by GTE Florida Incorporated is hereby granted. It is further

ORDERED that GTE Florida Incorporated shall file the required traffic study data on or before November 23, 1992.
