ORDER INDICATING NONJURISDICTIONAL
STATUS OF YMCA CAMP MCCONNELL AND CLOSING DOCKET

BY THE COMMISSION:

On September 8, 1992, YMCA Camp McConnell filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Mr. William M. Dover, Camp Director, filed the application on behalf of YMCA Camp McConnell.

YMCA Camp McConnell provides water and wastewater service in the form of chlorinated water from a single well and package plant wastewater treatment to its camping facilities. The entity is a non-profit, charitable corporation.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, water and wastewater service is provided only to the camp facilities, there is no charge for providing service, and all costs of providing service are treated or recovered as operational expenses.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

FILE RECORDS (REPORTING)

Because YMCA Camp McConnell will not be providing water and wastewater service to the public for compensation based on the facts as represented, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of YMCA Camp McConnell or any successor in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission, based upon the facts as represented, YMCA Camp McConnell, 210 Southeast 134th Avenue, Micanopy, Florida 32667, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of YMCA Camp McConnell or its successor(s) in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Camp's nonjurisdictional status. It is further

ORDERED that Docket No. 920909-WS is hereby closed.

By ORDER of the Florida Public Service Commission this 30th day of September, 1992.
