Fla. Public Service Commission
Division of Water and Sewer

ORDER INDICATING NONJURISDICTIONAL
STATUS OF GATE CONVENIENCE STORE #170

BY THE COMMISSION:

On September 14, 1992, Gate Convenience Store #170 (Gate) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Mr. John Peyton, Division Manager, filed the application on behalf of Gate.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, water is provided only to the Convenience Store, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Because Gate will not be providing water service to the public for compensation based on the facts as represented, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Gate or any successor in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,
