ORDER SUSPENDING TARIFF AND STANDARD OFFER CONTRACT

BY THE COMMISSION:

On July 30, 1992, Gulf Power Company (Gulf or the company) filed a new proposed standard offer contract and a revised cogeneration tariff (Schedule COG-2). In order to evaluate the Standard Offer Contract, we must examine the company's generation expansion plan in addition to the terms and conditions included in Gulf's proposed contract. Because such an evaluation will take more than 60 days to complete, we shall suspend the proposed contract and COG-2 tariff.

It is, therefore,

ORDERED by the Florida Public Service Commission that the proposed new standard offer contract and cogeneration tariff filed by Gulf Power Company in this Docket shall be suspended pending further review.

By ORDER of the Florida Public Service Commission this 5th day of October, 1992.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The Commission's decision on this tariff is interim in nature and will become final, unless a person whose substantial interests are affected by the action proposed files a petition for a formal proceeding, as provided by Rule 25-22.036(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a)(d) and (e), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on October 26, 1992.

In the absence of such a petition, this order shall become final on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this Order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this Order becomes final on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the date this Order becomes final, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
