DOCKET NO. 920199-WS  
ORDER NO. PSC-92-0948A-FOF-WS  
ISSUED: 10/13/92

AMENDATORY ORDER

BY THE COMMISSION:

On September 8, 1992, this Commission issued Order No. PSC-92-0948-FOF-WS, in which Schedule No. 3-A, page 109, for the Wootens system in Putnam County was inadvertently omitted.

In addition, Schedule No. 4 for various systems had incorrect rates. The attached schedules for Meredith Manor (wastewater), Palm Terrace (water & wastewater), Point O'Woods (water), Sugar Mill (wastewater), Spring Hill Utilities (wastewater), Tropical Park (water), University Shores (wastewater), and Venetian Village (wastewater) contain changes made to maintain the existing rate structures for interim rates. The other schedules contain corrections to include all existing rates for meter sizes larger than 6 inches, corrections to clarify footnotes, or to correct typographical errors, and minor corrections to rates in the "current" rates column to accurately reflect the existing tarified rates.

The corrections in the attached schedules do not affect our decisions in Order No. PSC-92-0948-FOF-WS, regarding the appropriate revenue requirements for Southern States or our decision regarding the appropriate rates or rate structures through which the utility will collect these revenue requirements.
