ORDER INDICATING NONJURISDICTIONAL STATUS
OF THE HIGH SPRINGS CARE CENTER, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On September 9, 1992, High Springs Care Center, Inc. (HSCC) filed an application with this Commission for recognition of nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. HSCC is a retirement center located at 201 Northeast 1st Street in High Springs, Alachua County, Florida. Ms. Linda Bainum, Administrator, filed the application on behalf of HSCC. Ms. Bainum is also Secretary of the Corporation.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, wastewater service is provided only to the retirement center, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Bainum acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

DOCKET NO. 920915-SU

Since, based on the facts as represented, HSCC will not be providing wastewater service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of HSCC or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, High Springs Care Center, Inc., Post Office Box 2549, High Springs, Florida 32643, is not a wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of High Springs Care Center, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the retirement center's nonjurisdictional status. It is further

ORDERED that Docket No. 920915-SU is hereby closed.

By ORDER of the Florida Public Service Commission this 3rd day of November, 1992.
