ORDER INDICATING NONJURISDICTIONAL STATUS  
OF PORT ST. LUCIE CONVALESCENT CENTER SEWAGE  
TREATMENT PLANT AND CLOSING DOCKET

BY THE COMMISSION:

On October 5, 1992, Port St. Lucie Convalescent Center Sewage Treatment Plant (Convalescent Center) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. The Convalescent Center is a nursing home located at 7300 Oleander Avenue, Port St. Lucie, Florida. The nursing home and the sewage treatment plant is owned and operated by Eden Park Management, Inc. Mr. John E. Kane, Senior Vice President of Eden Park Management, Inc., filed the application on behalf of the Convalescent Center.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. According to the application, wastewater is provided only to the nursing home, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Water service is provided by St. Lucie County.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false

statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Kane acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Since, based on the facts as represented, the Convalescent Center will not be providing wastewater service to the public for compensation, we find that it is not a utility pursuant to Section 367.021(12), Florida Statutes. However, should there be any change in circumstances or method of operation, the owners of the Convalescent Center or any successors in interest, must inform the Commission within 30 days of such change so that we may review the matter to determine whether nonjurisdictional status is still appropriate.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Port St. Lucie Convalescent Center, 7300 Oleander Avenue, Port St. Lucie, Florida 34952, is not a wastewater utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owners of the Port St. Lucie Convalescent Center Sewage Treatment Plant or any successors in interest, shall inform this Commission within 30 days of such a change so that we may re-evaluate the Convalescent Center's nonjurisdictional status. It is further

ORDERED that Docket No. 921005-SU is hereby closed.

By ORDER of the Florida Public Service Commission this 10th day of November, 1992.
